EMPLOYMENT PROFILE

**WE ARE
A COMMUNITY
OF PASSIONATELY
ENGAGED LEARNERS.**

We stand up for what we believe in
and go the extra distance in all what we do „

OUR VISION

Our vision is to create a world-class education within our academy enabling every young person to realise, in a happy and safe environment, their full potential as a global citizen in harmony with Islamic ethics and Saudi Culture.

Nahda Academy aspires to introduce an innovative system of education to Jeddah. Starting with a primary school before expanding to secondary, the intention is to provide the best education possible to help young people grow to be confident, happy and fulfilled in themselves; to be able to thrive in the twenty-first century both within Saudi Arabia and globally; to be able to preserve the culture and heritage of Islamic values while using the British Curriculum as their teaching platform.

Nahda Academy will be an emotionally intelligent learning community, where passion for high quality education and positive relationships provide the framework for all that we do. There will be a commitment to developing deep and rich partnerships building trust where children, parents and staff work together in ensuring that all children can unleash their full potential. The curriculum will fuel creativity and nurture and develop the inquiring, questioning and growing mind: learning will be challenging and mistakes will be celebrated as an opportunity to develop and improve.

Our staff will be integral in creating a warm and welcoming learning environment where pupils will be placed at the heart of everything; where they are encouraged and expected to be the best they can be in all aspects of life. Pupils will be provided with a rich programme of extra-curricular experiences to help them understand the world they live in, to understand how they can actively contribute as socially responsible citizens within that world, to explore their ambitions and to ensure they can make real choices for themselves.

OUR OPERATOR

GBritish Elite Schools (GBEST) has been carefully selected by Nahda Academy to act as its Operating Partner. Among the UK schools operated by them comes Altrincham Grammar School for Girls (AGGS), which is ranked as one of the top 10 performing schools in the United Kingdom. AGGS is located in Manchester and has an outstanding OFSTED rating.

As the Operating Company, GBEST, which has a number of leading staff with an outstanding record of educational expertise, will be overseeing all aspects of the school, working closely with Nahda's Head Teacher to ensure the school achieves its primary goal of providing the very best education.

Capitalising on the strong links built with the leading educational institutions in the UK, Nahda Academy will be able to develop a real partnership with a number of primary schools in the UK. Best practice will be shared across the school, and the UK schools will provide invaluable support. Nahda will also be connected to an extensive UK network of schools, to exchange knowledge, expertise and professional development for our staff.

LOOKING FOR PASSIONATE CALIBRE TO JOIN

Nahda Academy, in Jeddah, is now looking for associates who would be willing to become cadre members of the Academy. We look for people with passion and energy to join, which represents a great opportunity for you to build a career with our Academy and to open doors for you to become an internationally qualified member of staff.
